

About Blooming Kindergarten

Blooming Kindergarten, located in Gyotoku, Ichikawa City, Chiba Prefecture, would like to be a school that fosters a spirit of independence and consideration for others that can be gained through learning while having fun and moving your body freely.

The exam is aimed at children aged 0 to 5 years old, and there is a track record of successful admissions to private elementary schools. We also accept transfers from public schools and kindergartens, so please feel free to contact us first.

We have native English teachers.
